VLITE GRANTS **updated 10.28.26**

Grantee:			Ttl Amount:	Category:	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022	2023	2024	2025	2026	2027	total
Lyndon State	Weather Prediction for Grid Resilience	CEP	$370,000	New Technology		$ 200,000			$ 85,000	$ 85,000										
Farm digester pilot		CEP	$62,000	New Technology		$ 62,000														
Vermont Council on Rural Development	Model Communities and Climate Calatysts, CC Innovation Fund	CEP	$845,000	Education Outreach/Public Involvement				$ 240,000			$ 160,000.00			$190,000.00		$180,000		$75,000		
Vermont Sustainable Jobs Fund	DeltaClime	CEP	$375,000	Energy Business Dev.				$ 300,000			$ 75,000									
Northern Forest			$120,000	New Technology			$ 120,000													
Efficiency training trailer		CEP	$20,000	Energy Education	$ 20,000															
WARMTH - OEO/ WAP's		LMI	$200,000	Efficiency	$ 200,000															
Vermont Fuel Efficiency Partnership			$365,000	Energy Efficiency	$ 165,000		$ 200,000													
ReSOURCE	Youthbuild etc., Serve Learn Earn in 2024	LMI	$825,000	Energy Workforce Training	$ 190,000	$ 120,000		$ 120,000	$ 65,000			$ 80,000		$75,000		$175,000				
Housing VT			$200,000	Energy Efficiency				$ 200,000												
Vermont Housing & Conservation Board	Solar PV for ZEMs	LMI	$450,000	Energy Efficiency			$ 150,000			$ 300,000										
Solar furnace pilot – OEO/ WAP's			$125,000	Energy Efficiency	$ 125,000															
Heat pump pilot – OEO/ WAP's			$90,000	Energy Efficiency	$ 90,000															
Neighbor Works	Wx, audits in LMI homes	LMI	$717,000	Energy Efficiency			$ 115,000			$ 125,000		$ 125,000	$ 198,000			$154,000				
OEO/ WAP's stove	Stove changeouts	LMI	$100,000	Energy Efficiency			$ 100,000													
PSD Thermal initiative	Financing tool		$450,000	Energy Efficiency		$ 250,000		$ 100,000	$ 100,000											
Tier #3 Study			$25,000	Energy Efficiency						$ 25,000										
Vermiculite – OEO/ WAP's Vermiculite Removal	Vermiculite removal in LI homes as precursor to weatherization		$900,000	Energy Efficiency	$ 100,000			$ 150,000	$ 150,000	$ 125,000	$ 125,000	$ 125,000		$125,000						
Vermont Law School	Studies of low income solar and energy burden		$83,500	Energy Education		$ 41,500		$ 42,000												
REV			$4,000	Energy Efficiency			$ 4,000													
VEEP	Teacher and student programs in k-12.		$256,500	Energy Education			$ 31,500		$ 50,000		$ 50,000	$ 50,000		$75,000						
EAN "Dashboard"	Energy data website		$450,000	Energy Education		$ 100,000		$ 150,000		$ 100,000	$ 100,000					$100,000				
Energy Action Network	EAN Network Groups, Annual Report Theme, and Operations,		$100,000	Energy Education																
UVM / VT CRD	Study of HPMH		$20,000	Energy Education					$ 20,000											
Stowe Electric	EV chargers		$162,134	New Technology			$ 162,134													
Stowe Electric	Community hydrower Moscow Mill		$125,000	New Tech/ LI										$125,000						
WEC	Powershift, Lvl 2's; Rewire 2022		$317,000	New Technology			$ 147,000				$ 70,000		$ 100,000							
VEIC	Drive Electric VT; dealer and consumer incentives		$410,000	New Technology		$ 130,000	$ 280,000													
BED/ GMTA	Electric buses		$175,000	New Technology						$ 175,000										
BED/Carshare	EV and EVSE		$74,550	Transportation									$ 74,550							
SEVCA	Rooftop community solar		$50,000	Renewables/Low Income						$ 50,000										
GMP/ storage	Tesla Powerwalls for LI		$150,000	LI New Technology						$ 150,000										
VT PSD/ OEO			$100,000	Energy Efficiency						$ 100,000										
OEO Health	study of Wx health benefits		$20,000	Education/Outreach						$ 20,000										
Capstone Next Gen EV Mobility	Study and pilot car share and ride share strategies in rural VT		$275,000	Transportation								$ 275,000								
BGS/PSD SEMP Expansion	Expand SEMP to municipalities. Amt amended to $175k in 2024		$175,000	Energy Efficiency								$ 175,000								
EFG ZEN Comprehensive	Wx, Heat pumps and solar for LMI		$30,000	Energy Efficiency								$ 30,000								
3E Thermal	Multifamily affordable for mandatory health and safety work for Wx.		$100,000	Energy Efficiency								$ 100,000								
Vermont Adult Learning	Wx, solar, CCHPs		$500,000	Workforce Training								$ 150,000		$150,000				$ 200,000		
Rutland Housing Authority/HII	Rooftop solar on Bridge homeless housing	LMI	$80,000	Renewables/ Low Income								$ 80,000								
CarShare VT	Evs and EVSE in LMI multifamily; 2025 MobilityShare	LMI	$150,000	Transportation Eff.									$ 75,000					$ 75,000		
Randolph RACDC	DC-based community microgrid design	LMI	$225,000	Innovation/Renewables									$ 75,000		$ 150,000					
Milk With Dignity Stadards Council	ZEM farmworker housing	LMI	$80,000	Energy Efficiency/Housing									$ 80,000							
VT Foodbank	fleet EVs and EVSE	CEP	$115,578	Transportation Eff.									$115,578.00							
Vermont Electric Coop	heat pump incentives	LMI	$100,000	Energy Efficiency										$100,000.00						
VPPSA	electr upgrades and incentives	LMI	$90,000	Energy Efficiency										$90,000.00						
Vt Works for Women	Workforce Training	CEP	$120,000	Workforce Training										$60,000.00				$60,000		
CEDO Shelter Project Solar PV	Solar PV on Comm Bldg	LMI	$54,620	Renewables/ LI										$54,620.00						
East Calais Community Trust	Net Zero Gen Store and Affrdble Apts.	LMI	$30,000	Energy Efficiency										$30,000.00						
Wheelpad	Upgrade manufacturing facility/ '25 grant - prototype StudioPAD	LMI	$175,000	New Technology											$100,000.00			$75,000			
Champlain Housing Trust/Evernorth	Solar for Bay Ridge Affordable Apartments in Shelburne	LMI	$150,000	Renewables/Low Income											$150,000.00						
VEEP	Adult Energy Education	CEP	$40,000	Education											$40,000.00						
Milton Mobile Home Cooperative	Electrical upgrade to feeder wires and meters	LMI	$55,000	Energy Efficiency											$55,000.00						
Agritech Institute	Goat grazing on utility ROW Pilot	CEP	$65,000	New Technology											$65,000.00						
Capstone/VGS	VERT VT Energy Recovery Teams	LMI	$100,000	Energy Efficiency/LI											$100,000.00						
Community Rides VT	Gopher Rural Ride Share Service in Evs for LMI	LMI	$485,000	Transportation/LI											$200,000.00			$175,000	$110,000		
Climate Economy Action Center of Addison County	CEAC - Navigator Program	CEP	$165,000	Education Outreach, Energy Efficiency/ Renewables											$65,000.00			$100,000			
Lamoille Housing Partnership	Multifamily and Senior Solar	LMI	$40,000	Renewables/Low Income												$40,000					
Town of Fair Haven	Planning Grant to Reopen Manufactured Home Factory	CEP	$60,000	New Technology												$60,000					
Heartbeet Lifesharing	Solar, Thermal, EVSE	LMI	$150,000	Energy Efficiency, Renewables												$150,000					
Riverflow	DDHI Housing, Energy Retrofit	LMI	$200,000	Energy Efficiency												$50,000			$150,000		
CVSWMD	Battery and Energy Improvements for new facility	CEP	$80,981	Energy Efficiency, Storage												$80,981					
Capstone WAP	Heap Pumps and HPWH for Wx homes	LMI	$200,000	Energy Efficiency												$200,000					
The Veteran's Place	Multifamily Heating and Hot Water - LBNL Pilot	LMI	$100,000	New Technology, Energy Efficiency													$100,000				
Food Connects	Electric Box Truck	CEP	$30,000	Energy Efficiency, Transportation													$30,000				
Tri-Park; BDCC	Flood Buyouts - 19 new all-electric homes	LMI	$142,500	Energy Efficiency													$142,500				
CVOEO/VCAP	Emergency Disconnect Fund	LMI	$100,000	Basic Energy Needs													$100,000				
Champlain Housing Trust	Soalr on Efficient new Farmworker Housing	LMI	$60,000	Energy Efficiency													$60,000				
Cooperative Development Institute	Electric Upgrades in 2 Colcheseter Mobile Home Parks	LMI	$213,785	Energy Efficiency/Basic Energy Needs														$213,785			
CVOEO	Community Ambassador Energy Ed for New Americans	LMI	$100,000	Education Outreach														$100,000			
Cornerstone HEAT Squad (formerly NWWVT)	Energy Audits and Weatherization	LMI	$197,750															$197,750			
Center for Agricultural Economy	Solar PV 218kW on Zero Energy-near food hub	CEP	$50,000															$50,000			
Wood4Good	Capacity grant for wood bank; log-length truck, delivery truck	LMI	$80,000	Renewables, Low Income														$80,000			
NETO	energy audits for income qualifying	LMI	$15,000	Energy Efficiency														$15,000			
Total			$ 13,916,898		$ 890,000	$ 903,500	$ 1,309,634	$ 1,302,000	$ 470,000	$ 1,255,000	$ 580,000	$ 1,190,000	$ 718,128	$1,074,620	$925,000	$1,189,981	$1,057,500	$1,051,535		$ 13,916,898
